

7 Mason Street COLLINGWOOD VIC

2 1

This North facing workers cottage, has 2 bedrooms, one downstairs, and the other is a small loft bedroom via a skinny staircase. The living room looks out through the veranda to waving palm trees in the front garden.

If you like to watch the world go by, this veranda is the perfect place to sit. The kitchen has gas cooking and is spacious enough for a table and chairs. The bathroom has a shower over the bath, washing machine taps and trough.

There is a fabulously large, roofed area at the rear of the cottage to decorate as you please. Add a long rustic table for weekend lunches, grow your favourite herbs, add a sofa or two, it's all yours. You decide. (A2)
