

1/104 Langridge St Collingwood VIC

2 1 1

Step inside and discover a home that blends timeless warehouse character with contemporary design, perfectly suited to modern living and flexible work-from-home needs.

Soaring ceilings and oversized windows fill the home with natural light, creating an airy sense of space. The large open-plan kitchen, dining, and living area is tiled for practicality, while the bedrooms are carpeted for comfort. The kitchen features stone benchtops, ample storage, and quality appliances.

Two generous bedrooms and a mezzanine space provide privacy and versatility, with air conditioning ensuring year-round comfort.
